

From: Prof. Jun O. Liu,  
Departments of Pharmacology and Oncology  
Johns Hopkins University School of Medicine

Dear Fang Bai,

I was shocked and saddened to receive the news. Prof. Jiang was my alumni (Nanjing University, Chemistry) and friend. My condolences to his family, friends, students, and colleagues at SIMM. His passing has created a big void in the hearts and minds of all who know him. I will cherish his memory for ever.

Jun Liu
